SEARCH TIPS

The search results page?

- You will find articles, books, dissertations, reports...
- Items are sorted by relevance. You can filter your search results using the following categories: publication year, document type, key-words...

Using your personal account, it is possible to keep your search history, create topic related alerts, your reading lists, manage your loans...

Access to documents

Article

All the information you need is visible on the results page. It varies according to the type of document you are looking for.

The call number indicates the location of the document on the shelf

Exemple: FR83/0012

The journal's reference: Title, publication year, and n°

Exemple: Gérontologie et société, vol.41, n°159, 01/07/2019

Multi-databases search (a discovery tool)

- Select « Multibases »
- The search is done through almost all the Ehesp's databases at the same time
- You can choose the language
- If you need to optimize your search, look Help menu
