My selection and my reading lists

Remember: You must be logged in

Ma sélection : a tool to keep in mind interesting references

During your research, you can put a selection of documents that you consider relevant into a "basket". This will allow you to come back to them later

Click on Ajouter à ma sélection

→ The next time you connect, you will find your references in Ma sélection

Mes listes : a collaborative tool

Create a reading list

- Click on Mes listes and Créer une nouvelle liste

Then, add, as you search, references in a list

You can then share your list with other users. It will then appear in the public lists.

Those who are interested should register from their own account:
