

Cairn.Info: Remote access Procedure

Access to social sciences publications in various French-language publishers. The subscription provides access to full text journals including: Gerontology and Society, Public Health, Tribune of health...

Cairn.info launched its International Edition. An English-language platform where abstracts and selected articles from about 437 key journals on Cairn.info are translated from French into English, enabling users to search, browse and read contents without speaking a word of French.

Remote identification process with EHESP

On : <http://www.cairn.info/>, Off Campus or Wifi mode:

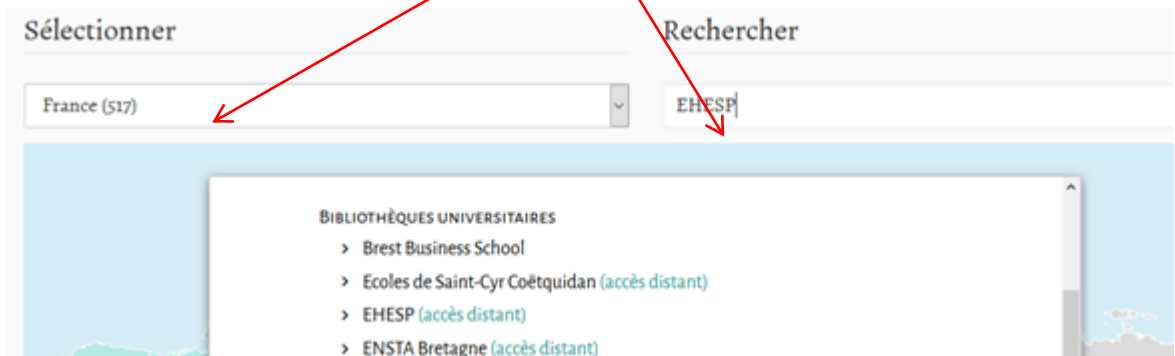

1. Click here =>

Off Campus

2. A new window will open =>

Select: France and EHESP

3. Finally, connect with:

IDENTIFIANT = Your EHESP mail address

Prenom.nom@eleve.ehesp.fr
(*Firstname.name@eleve.ehesp.fr*)

PASSWORD = The same as the one you use to connect to EHESP's network

IT Department recommendation: **Do not check these boxes**

IMPORTANT: Please, for security reasons, log out and close all browser windows when you have finished your session

4. Required data

Information justifying your membership at the school in accordance with the CNIL.

The EHESP's IT recommends to accept the pre-selected transmitted information of your data as mentioned here. ***(Please contact me again if the data were to change)***

providers. The comprehensive databases range from general reference collections to specially designed, subject-specific databases for public, academic, medical, corporate and school libraries.
